Congratulations to Drew Schueler of Nashville, Tennessee for winning the Song Category Grand Prize in the 23rd annual NSAI Song Contest presented by The Bluebird Cafe and CMT! In March 2023, the top 10 finalists in the Song Category were judged and scored by a panel of industry professionals and in the end Schueler's entry "Hurttable" (co-written with Claire Flynt and Nell Maynard) received the highest total score and was declared the winner! Schueler won \$5,000 cash, an American Dream® Series Taylor Guitar, a mentor session with Blanco Brown, a Bose L1 Pro8 Portable System, tickets to the 2023 CMT Music Awards and a ton of other prizes!

The Lyric Category winner was also announced during final judging - congratulations to Lauren Murray (New York, NY) with her entry "Killing Flowers"! Murray won \$2,500 cash, a mentor session with multi-platinum singer-songwriter Nicolle Galyon, an American Dream® Series Taylor Guitar, a Bose L1 Pro8, and more!
